Reserved for Indiana and Club Logos

Each year 3-5 members of the Bass Fishing Club graduate from Indiana University. Having a college degree from a highly regarded University gives us great opportunities in the job market. Once out of college and working full time, we won't stop fishing. The products that we used in the club will be products that we will continue to use and buy. This club is just the start to a lifetime relationship with your company.

In 2008 we experienced firsthand what it feels like to be a professional fisherman. Jesse Schultz and Louie Keller are interviewed by Tommy Sanders at the Under Armour College Bass National Championship.
